

*“Desiring to establish love, unity and harmony amidst Our servants, We have conditioned it, [marriage] once the couple’s wish is known, upon the permission of their parents, lest enmity and rancor should arise amongst them.”*

*-Bahá’u’lláh, Kitáb-i-Aqdas, K65*

Desiring to establish love, unity and harmony, we consent to the marriage of our son/daughter in a Bahá’í Faith ceremony.
